MY ULTIMATE BEAUTY – Raced in a one out one back trailing position for the first 400 metres prior to being left leading the one wide line. Once again obtained a one out one back trail near the 1600 metres. Hung out slightly entering the home straight on the final occasion.

Hung in badly at various stages throughout the race. Tired over the concluding stages to be beaten in excess of 146 metres. A post-race veterinary examination of the gelding failed to reveal any abnormalities. WHO SAID YOU SAID is stood own from racing until the completion of a satisfactory trial.

ENDEAVOUR STRIDE – Led the one wide line until working forward to take over the lead near the 1500 metre point. Hung out briefly approaching the final turn when leading then corrected by its driver. When questioned regarding ENDEAVOUR STRIDE challenging for the lead and taking over in a fast lead time of 33.9 seconds, driver Mr P Hill told Stewards that he gave ENDEAVOUR STRIDE a couple of light taps with the whip coming out of the gate, with the intention of taking up the position leading the one wide line. He went on to say once reaching that position, when he attempted to restrain ENDEAVOUR STRIDE, the gelding commenced to contact its own sulky wheels and as a result it commenced to severely overrace. He further added that at that stage the horse pulled its way towards the lead, eventually crossing over near the 1500 metre point. He added that the gelding continued to contact its own sulky wheels throughout the majority of the race prior to giving ground to finish in 7th position, beaten 14.3 metres. Stewards advised Mr Hill that they would be noting his explanation. Trainer Mr B Yole was advised to take whatever action is necessary to avoid a repeat of ENDEAVOUR STRIDE contacting its own sulky wheels.
