#### General

Stewards questioned Steven Davis, driver of MAJOR DAVVIN, and Troy McDonald driver of IDEAL INVESTMENT, regarding the reason for IDEAL INVESTMENT racing 4 wide from approximately the 700 metres. After taking evidence from the drivers, viewing official race videos and giving regard to their own observations Stewards ascertained that just entering the home straight Mr Davis shifted from a one wide to a three wide position and momentarily prior to Mr McDonald commencing a run from the rear of MAJOR DAVVIN with IDEAL INVESTMENT then obliged to race four wide thereafter. Stewards also considered that the line of horses preceding MAJOR DAVVIN appeared to be racing wider up the track than is usual. As the head on video was unavailable the Stewards could not be comfortably satisfied that MAJOR DAVVIN had been the cause of IDEAL INVESTMENT racing four wide and therefore Stewards gave Mr Davis the benefit of the doubt on this occasion and no further action was taken.
