After questioning drivers and reviewing vision of the incident, it was established that as the field approached the bend at the end of the back straight, ROAD RUNNER NZ, which was racing in a 3-wide position, commenced to hang inwards, and despite its drivers' efforts, shifted in and tightened OUR BALOU inwards on to NO NUKES SKIPPER NZ, with OUR BALOU contacting the sulky of NO NUKES SKIPPER NZ and breaking. Also effected was ROAD RUNNER NZ which broke briefly.

Given all circumstances the Stewards determined the racing manners of ROAD RUNNER NZ were the principal contributor to the incident, with ROAD RUNNER NZ requiring to trial satisfactorily prior to next racing.
