Stewards spoke to trainer Mr A Clarkin relation to Roxy Danger's racing manners, in particular in the home straight. Acting on their own observations, viewing the official replays and taking evidence from Mr Clark, Stewards were of the opinion that Roxy Danger had turned its head outwards and had made head and muzzle contact with Summertime Sad and by doing so had marred the running of that greyhound pursuant to GAR123(1). Acting under the provisions of GAR127(1)(b), Roxy Danger has been stood down from racing for a period of 28 days at all tracks and until the completion of a satisfactory trial.
