Prior to the declaration of correct weight, Stewards considered a protest lodged by rider A Darmanin and connections of FLYING TO PARIS the second placegetter, against NICCO THE GREEK placed first for alleged interference at about the 200 metres. After viewing the official patrol films, taking evidence from both riders' stewards established that near the 200 metres FLYING TO PARIS had not established a clear run between NICCO THE GREEK and I'M KRUPPT. It was the steward's opinion that the FLYING TO PARIS had been held up and then shifted out over the heels of NICCO THE GREEK to improve to a run to the outside of that gelding. Stewards, accordingly, dismissed the protest and declared correct weight on the judge's placings.
