Family Tradition underwent a post-race veterinary examination which revealed swelling in the left hind fibula and a small abrasion on digit three on the left hind. Family Tradition has been stood down from racing for a period of 10 days. Stewards spoke to trainer Mr F Feeney in relation to Family Tradition's race manners in the home straight. Acting on their own observations, taking evidence off Trainer Mr Feeney and viewing the official patrol film, Stewards were of the opinion that Family Tradition had shifted wider on the track in the home straight at the same time Flying Mullet shifted in briefly with Family Tradition's head being marginally outwards momentarily. Stewards placed a warning on the race manners of Family Tradition and advised Mr Feeney that Stewards will closely monitor the racing manners of the greyhound in future events.
