A pre-race swab sample was taken from Super Suspect. Summertime Sad underwent a post-race veterinary examination after easing in the home straight, and no abnormalities were detected. Stewards spoke to Trainer N Howard in relation to the racing manners of Summertime Sad. Acting on their own observations, viewing the official replays and taking evidence from Mr Howards. Stewards were of the opinion that Summertime Sad had eased and in doing so had failed to pursue the lure with due commitment throughout the event, pursuant to GAR124(1). Summertime Sad has been stood down from racing for a period of 28 days and until the completion of a satisfactory trial. Mrs. Fencer underwent a post-race veterinary examination, and no abnormalities were detected.
