The all clear in this event was delayed, so Stewards could view the official patrol films in relation to the lure, in particular the distance of the lure to the lead greyhound nearing the first turn. Acting on their own observations and viewing the official patrol films, Stewards were satisfied that no greyhounds were advantaged or disadvantaged due to the lures positioning throughout the event and gave all clear on the judge's numbers. Nitro disco underwent a post-race veterinary examination which revealed a fractured right hock. Nitro Disco has been stood down from racing for a period of five months. Post-race swab samples were taken from Nitro Harvey and Raider's Guide.
