Osphranter underwent a post-race veterinary examination, and no apparent injuries could be detected.

Osphranter was found guilty of failing to pursue the lure with due commitment under the provisions of GAR 124 when the greyhound eased and moved towards the greyhound racing to its outside as the field raced into the home straight. As it was Osphranter first offence the greyhound has been stood down from racing at Hobart only for 28 days and until the completion of a satisfactory trial pursuant to GAR 127(a).

The all clear of this event was delayed, allowing Stewards to view the official films to ascertain if the lure had been driven with the permitted distances as prescribed by GAR 109. After viewing the official films and acting on their own observations, Stewards were satisfied the lure had moved outside the recommended maximum distance, without advantaging or disadvantaging any greyhound. All clear was given on the judge's numbers.

All races were put back two (2) races, after there was an issue with the catching pen gate failing to close properly prior to race 2.

Bright Light completed a steward's satisfactory trial with 2 other greyhounds for failing to pursue, competing over 340 metres, beginning from box 3 and finishing 2nd in the time of 19.78. Bright Light has been cleared to race all tracks except Launceston.
