Prior to all clear stewards reviewed the position of the lure in the back straight. At this point the lure had appeared to be further away from the leading greyhound than the permitted 8 metres. Acting under the provisions of GAR 109(1) this variation was permitted as the stewards were satisfied that no greyhound was advantaged or disadvantaged so as to affect the outcome of the event. All clear was then given.

A post-race swab sample was taken from the winner Whiskey Turbo.
