All clear was delayed to view the official patrol vision of the lure's position approaching the first turn. Stewards were of the opinion that the lure had been less than five metres in front of the leading greyhound, however, they were of the opinion that no greyhound was advantaged or disadvantaged, and the outcome of the race was not affected, therefore, all clear was given under the provisions of GAR 109(2).

In the opinion of the Stewards, Facade failed to pursue the lure under the provisions of GAR 124(1), when it eased, turned its head out and then bumped with Miss Mortgage approaching the finish line. As it was Facade's first offence, the greyhound has been stood down from racing at Hobart only for 28 days and until the completion of a satisfactory trial under the provisions of GAR 127(a).
