After taking evidence from Nathan Ford and viewing the official patrol films and stewards acting on their own observations issued a charge under provisions of rule 170 (4) (b):

The particulars of the charge were that over the concluding stages Nathan Ford Dropped his right foot from the sulky peg and placed it in the vicinity of the hind leg of REMEMBER ME NOW NZ.

Driver Nathan Ford was found guilty of the charge and fined a sum of \$500.00 with \$250.00 suspended for a period of 12 months being that he doesn't offend under this rule during this time.

Stewards questioned drivers Tiarna Ford (SCRUB BASHER) Olivia Weidenbach (FURY DAN) and Mitch Ford (LALIBELA NZ) along with Neville Webberley (Claiming drivers advocate) into reasons why Tiarna Ford was placed in restricted racing room, and as a result raced inside several marker pegs racing towards the back straight on the first occasion. After taking evidence from all drivers and viewing the official patrol films and acting on their own observations it was established that LALIBELA was racing on the back of I WANT IT ALL (Dylan Ford) who shifted in at this point resulting in LALIBELA NZ following downwards placing SCRUB BASHER and FURY DAN in restricted room. As a result of this incident SCRUB BASHER raced inside several marker pegs.
