The announcement of all clear was delayed when stewards wished to view the official patrol films as stewards wanted to clarify if POCKET TALK was denied a fair start. After speaking to trainer representative Brennan Ryan and viewing the official patrol films, all parties were satisfied that POCKET TALK was afforded a fair start. It was established that POCKET TALK went up with the lids at the start, stumbled and got checked by another runner shortly thereafter and as a result lost ground. Stewards were satisfied with the start and gave all clear on the judge's numbers.
