RACE 1 – 12:43PM – Kevin Sharkie Maiden - (1009 METRES)

2 NEED A GIGGLE

Underwent a pre-race veterinary examination behind the barriers at the riders' request and was subsequently declared a late scratching at 12:42pm when found to be lame in the off hind. On the announcement of correct weight Stewards ordered that all monies invested on NEED A GIGGLE be refunded, with the following deductions to apply to successful wagers placed prior to 12:42pm.

Stewards ordered that the following deductions would apply:

1st - 5 – PLATINUM REGGAE - 4 cents win, 3 cents place.

2nd - 6 – SIENA WOLF - 6 cents place

3rd – 3 – GEEGEE AUNTY JESS 11 cents place

All monies bet after the withdrawal to be paid at face value of the tickets.

Connections were advised the mare would be stood down from racing or trialing until stewards receive a veterinary clearance.

3 GEEGEE AUNTY JESS

Raced three wide in the early and middle stages.

4 MAKARSKA SUNSET

Slow to muster early speed.

5 PLATINUM REGGAE

Fractious in the barriers prior to the start. A post race winning swab sample was taken from the mare.

6 SIENA WOLF

Bumped with GEEGEE AUNTY JESS after jumping.

7 ZULU FIELDS

Raced three wide in the middle stages. Underwent a post race veterinary examination which revealed minor skin cuts on the inside near hind cannon, continuous with the gelding being galloped on during the race.

8 ROCKESTJERNE

Reared in the barriers prior to the start. Raced greenly throughout, tending to over race at stages. Brushed with ZULU FIELDS when making the home turn awkwardly, slightly shifting outwards.

RACE 2 – 1:19PM – Goodstone Group Class 1 Hcp - (1009 METRES)

2 ZOETE'S ROCK

Slow to begin. Held up for a clear run at the 200m behind the heels of another runner and had to shift inwards to obtain a clear run.

3 COOL CONQUEST

Tended to over race in the early stages.

4 GETCHA GROOVE ON

Fractious in the barriers, rearing multiple times. A warning was placed on the barrier manners of the mare. Raced three wide in the early stages. Underwent a post race veterinary examination which revealed a small cut on the lower right jaw.

- 5 KLIMENKO** Raced four wide in the early stages. Apprentice L Bingley reported the filly raced greenly, and she was unable to fully ride her mount out during the run to the finish due to the filly hanging in when placed under pressure.
- 6 RED FOX** When questioned, jockey A Darmanin told stewards his instructions were to gain a forward position either leading the event or sitting outside the leader. After the gelding failed to respond to his riding in the early stages, Darmanin reported he found himself further back than he had anticipated. Shifted out on the home turn to gain clear running room, however, ran home strongly. Stewards reminded rider A Darmanin on his obligations of ensuring he is fully clear when shifting ground, after causing ELLISPHERE to steady when entering the home straight.
- 7 AMANT FRANCAIS** Tended to hang out throughout. Shifted out during the run to the finish when placed under pressure. A post race winning swab sample was taken from the filly.
- 8 ELLISPHERE** Raced three wide throughout. Steadied off the heels of RED FOX when that gelding shifted outwards to gain clear running.

Brushed with BESERKER entering the home straight. Underwent a post race veterinary examination which revealed no abnormalities.

9 UNVANQUISHABLE

Stewards granted permission for apprentice L Bingley to ride without taking any portion of her claim, due to trainer J Luttrell having difficulty engaging a rider, and the late notification to apprentice Bingley. Jumped awkwardly, causing apprentice Bingley to contact the outside barrier partition. Over raced and laid out making the turn at the 1200 meters awkwardly. Failed to run on when placed under pressure, compounding over the concluding stages.

RACE 5 – 3:04PM – Happy Easter BM68 Hcp - (1350 METRES)

Raced three wide throughout. Underwent a post race veterinary examination which revealed blood in the offside nostril. Connections were advised the gelding must complete a 1000 meter gallop and obtain a veterinary certificate of clearance before racing again. Trainer R Hamer advised connections would be reviewing the gelding's racing future.

RACE 6 – 3:39PM – Tasmanian Horse Transport Class 4 Hcp - (1150 METRES)

2 BLOOMTIME

Fractious in the barriers. Slow to begin.

3 CHEROKEE DANCER

Shifted out when entering the home straight, tightening BLOOMTIME out onto GEEGEE CITY BOY, causing that mare to steady momentarily. Stewards reprimanded apprentice C Pang, under AR131(a), for careless riding, in that he failed to stop riding and straighten his mount.
