

HIF – MEETING SUMMARY
Thursday, 24th June 2021
Campbell Town Pub
Meeting commenced at 11:01am

- Discussions around trainers' access to nominations. It was agreed that the current process is best. Education around nominations will be provided to industry
- Discussion around qualifying trial times. Trial times will remain, but horses will be able to complete these over either distance.
- An update regarding the Brighton Track Alarm which is currently being worked on.
- An update on girls changeroom at Burnie. The Club have advised there is a plan to provide an appropriate space for this.
- An update on how Tasracing plans to market Tasbred Bonus winners.
- An update on the race condition Tasbred Selected First. Whilst the group wanted this to be extended Tasracing have committed to provide analysis on its impact at the September meeting.
- An example of the ballot point system for publishing was provided to the group.
- An update around combined Mare and Driver concessions. With the group still in favor of discussion will continue with Harvey on implementation.
- Discussions around the eligibility of dual engaged runner. The group advised industry is not in favor of ineligible runners fulfilling their second engagement. ORI to follow up further.
- An update around novice drivers not attending driving school. Mandatory attendance requirements have been written into the Harness Licensing Requirements.
- Discussion around the 2021/22 Harness Feature Race Calendar. The first 6 months would be set with possible changes to the second half of the season if required.
- An update was provided on the Harness Wagering Performance.
- An update was provided on Assets and Facilities.
- An update was provided on the North-West track.
- A marketing update was provided on Agfest, and the promotions being done in the wagering market.
- An update was provided on Animal Welfare.
- A discussion around Race Dates regarding the number of meetings held in the South. Tasracing advised that the 2021/22 dates would remain with further analysis to be done when producing these for the 2022/23 season.
- An update was provided around the process of splitting prizemoney through the Harvey system with implementation likely to be end of 2021.

Next Meeting: Thursday, 9th September 2021
