Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had

a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gains a start.

Trainers can and should accept for more than one race at a meeting. Trainers are strongly encouraged to nominate for multiple races that their horse is eligible for.

If you have a preference, these must be clearly advised either on the Fax Acceptance Form or on Harnessweb by a brief message in 'Nomination Comments' i.e. (01: 1st Pref, 02: 2nd Pref). Please keep preferences very brief (less than 25 characters).

If preferences are not advised by the closing time for acceptances, the Tasracing Integrity Unit will place the horse at their discretion. A horse with a preference (2nd) may be moved to that race rather than left as the emergency in its first preference.

While preferences will be considered, the Tasracing Integrity Unit may place a horse at their discretion to maximise race numbers or field sizes.

If you are unsure if your horse is eligible for multiple races, please contact Tasracing Integrity Unit **(03) 6777 1900**.

Racing information

Programme conditions

Race programming details advertised in the Harness Calendar are correct at the time of publishing. Please refer to Harness.org for updated programmes.

Races Divided by Points

When races are divided by points (high and lower points divisions), the Unfulfilled Engagements and Extended Races policies do not apply if the total number of acceptors is equal to, or less than, the combined field limits.

Waiver

Race meeting details in this publication are published on behalf of Tasracing and the Tasracing Integrity Unit and reserve the right from time to time to alter the date of running, to make any alteration or modification to these races, to alter the sequence of races, to cancel the meeting or any portion thereof, and to alter the time for taking entries, declaration of handicaps or acceptances, and also the right to reject, at any time, any entry submitted to or for them. All races programmed will be run according to the Tasmanian Rules of Racing and under the Australian Handicapping Rules and the Handicapping Policies adopted by the Tasracing Integrity Unit unless specified in the conditions of the race.

Manual Field Selection

Races advertised as "Manual Field Selection" will be selected by the Handicapping Panel. Horses deemed by the Handicapping Panel to be the best credentialled based on criteria including form over the last 10 starts, beaten margins, mile rates, class of opposition, class of races, positions in running, barrier draws and interference received will be declared as starters in the field.

Manual Field Selection applies to all races with prize money of \$15,000 or more and heats of races where the final is \$15,000 or more, unless otherwise specified in the race conditions. A horse that has not previously had a race start has no exposed form. Therefore, horses that have had a race start will be included first under the Manual Field Selection Policy. Trial form will not be considered. If balloting is required with multiple unraced horses a random ballot will be conducted to determine which of the unraced horses gain a start.

Heats & Finals

Please refer to the **General Conditions for Races Conducted as Heats and Final/Consolation** in the Tasracing Integrity Unit Harness Handicapping Schedule & Procedures:

Harness Insurance Program – Tasmania

Tasracing works with Harness Racing Australia (HRA) and other State Controlling Bodies to put in place an annual insurance program that covers all affiliated clubs and licenced persons. The insurance cover applies when licence holders and other insured persons/entities are involved in activities that are sanctioned by HRA and Tasracing. These activities include official events, training, competition, committee meetings, fundraising activities, plus travel to and from these activities.

There are two overarching policies which cover Personal Accident Insurance and Public & Products Liability Insurance. Full details are available at tasracing.com.au

This insurance cover does not replace the need for Employers to have a current Workers Compensation Policy for paid and voluntary workers as required under state legislation.

Work health & safety

Tasracing assigns the highest priority to its responsibilities in relation to the safety of all racing participants.

Tasracing is committed to maintaining the highest possible standards in relation to the safety of the racing venues and equipment provided to racing participants.

All racing participants are kindly asked to always remember their personal responsibilities in relation to their own safety, those in their care, and to the general public who attend racing events. Racing participants must take reasonable care for their own health and safety, take reasonable care that their acts or omissions do not adversely affect the health and safety of other persons, and comply with any reasonable instruction of Tasracing as the Person Conducting the Business or Undertaking (PCBU).

Safety notice to racing participants and the public

All persons should be aware that entry to Tasracing venues is at the individual's own risk and is governed by Tasracing's Conditions of Entry, as well as the Tasmanian Harness Track Rules (at applicable venues). Tasracing accepts no responsibility for injury or loss to any person entering Tasracing venues. Any unlicensed person entering a Restricted Area such as the Day Stalls or Barriers, do so at their own risk. There are signs at all Tasmanian racing venues clearly identifying these Restricted Areas.

Strictly no access for children within restricted areas

Tasracing advises all racing participants and members of the public that under no circumstances are children allowed access to Restricted Areas at Tasracing venues. Clear signage at all racing venues identifies the location of Restricted Areas, and states that no children are permitted access. Under the Work Health and Safety Act 2012 (Tas), Tasracing as the PCBU has a duty to ensure, so far as is reasonably practicable, that the health and safety of persons is not put at risk from work carried out as part of the conduct of the business or undertaking at its venues. Restricting access for children within Restricted Areas assists with protecting their safety, and the safety of those using these areas. Clause 14 of Tasracing's Conditions of Entry also clearly states that no children are allowed in the mounting yards, horse stalls, stables and kennels at Tasracing venues under any circumstances.
