Licence Information

The following information applies to the **2024/2025** thoroughbred racing season and forms part of your application.

Application for Renewal Form

The Application for Renewal of Licence form must be completed and lodged with the Office of Racing Integrity (ORI) by **Friday 5 July 2024** to ensure that processing will be completed prior to the commencement of the season on 1 August 2024. Late lodgement will cause delays in processing.

As the preference for renewing applications is now by the SNS online method, all paper based applications will incur an **administration fee of \$25 in addition** to the prescribed licence fee.

You should obtain and provide a unique email address as soon as possible because it is ORI's intention to phase out paper-based renewal applications.

Your licence includes the following:

- Photo Identification card

Applications must be lodged either by email, mail, fax or in person to our Prospect office.

Applications cannot be accepted by Stewards or other staff members at race or trial meetings.

SMS Messaging Service

An SMS Messaging Service provided through Racing Australia will operate again this season. Text messages will be sent to your mobile phone with important information, which will allow you to be up to date with racing matters affecting trainers, jockeys and the general industry. If you do not have a mobile phone and therefore are unable to utilise this service please deduct \$15.00 from the scheduled fee and make a note on your application to that affect.

Licence Upgrade / Change of Category

Should you wish to upgrade your licence or apply for a different category, please contact ORI to obtain an application form and information with respect to other documentation, which may be required.

Payment

Payment options are included with this application.

Jockeys / Apprentices / Approved Trial Riders – Emergency Medical Information / Next of Kin Details

Local Rule 16.5 requires all Jockeys, Apprentice Jockeys and Approved Trial Riders to submit Emergency Medical Information and Next of Kin Details prior to approval of a licence. It is the rider's responsibility to advise ORI in writing should any details change during the licensing period.

This allows the most up to date information to be recorded so the appropriate person can be contacted in the unfortunate event of an accident or illness. You will not be permitted to ride if you do not provide this information.

Thoroughbred Racing Calendar

Your details (name & telephone number) will be included in the Thoroughbred Racing Calendar, therefore up-to-date, accurate details are vital for the information contained in this publication. If you do not return the application for licence renewal form by the due date you may not be included in the first issue of the Calendar in the new season. If you do not wish to have your details published, please ensure you answer the question on your renewal application appropriately.

A subscription fee is no longer applicable for the Racing Calendar. Copies are available to all participants at the offices of Tasracing or race clubs free of charge.

Notification of Injury or Illness

Existing licence or permit holders who, during the period of the licence or permit, suffer a significant injury (e.g. concussion, fracture) or significant illness (e.g. cancer, hepatitis) that could in any way affect their fitness to ride, must inform ORI at the earliest opportunity. This applies to any significant illness or injury – regardless of whether or not it resulted from a racing incident (e.g. road traffic accident, skiing, hang gliding etc.).

Photographic Identification

All licensees will be issued with a Photographic ID Licence card for the forthcoming season that must always be worn in a prominent position when participating as a licensed person at a race or trial meeting. You must be able to produce this card upon request of Stewards or other authorized persons.

Rider Vision Standards

All riders (jockeys, apprentice jockeys, approved trial riders, trackwork riders (including trainers)) should be aware that national standards apply in relation to visual acuity (ability to see clearly).

- Minimum requirements with or without corrective lenses –
 - “good eye” 6/9 or better;
 - “worse eye” 6/18 or better.
- Corrective lenses are acceptable provided that these are “soft contact lenses”.
- Monocular vision, visual field defects and diplopia are not acceptable.

Compulsory Medical Examination

The medical examination form is required to be completed by all jockeys, apprentice jockeys, trials riders and all persons performing trackwork duties including trainers for Season 2024/2025. Any registered doctor can complete the medical examination. The fully completed form must be returned with your application. A certificate of fitness will not be accepted. You should discuss your medications with your medical practitioner and provide any additional report relevant to you obtaining permission to ride while taking certain medications.

Cognitive Assessment Testing

All riders must have completed a Cognitive Assessment Test to obtain a Baseline reading prior to being licensed for the 2024/2025 season. You will be notified of an appointment time soon.

AR.278 – Disqualified Persons Bound by Rules during disqualification

- (1) Subject to subrule(2), if a licensed person is disqualified, that person’s licence immediately ceases and becomes void, and that person must make application to a PRA to be relicensed in order to be granted a new licence.
- (2) For the duration of a period of disqualification, a disqualified person is and remains bound by, and subject to, the Rules.

AR.23 – Suspension pending the hearing and determination of a charge

Without limiting any other rules or Stewards’ powers, if a person has been charged with a breach of these Rules (or a local rule of a Principal Racing Authority) or with the commission of an indictable criminal offence, and if the Stewards are of the opinion that the continued participation of that person in racing might pose an unacceptable risk of prejudicing the image, interests, integrity or welfare of racing, the Stewards may pending the hearing and determination of the charge:

- Suspend any licence, registration, right or privilege, granted under these Australian Rules;
- Prevent any horse owned (or part owned) or leased by that person from participating in any race or official trial;
- Order that any registration of the transfer of ownership and/or training of a horse related to that person be prevented or suspended;
- make any other direction or order the Stewards think fit in the interests of racing.

Jockeys and Apprentices Licence Conditions

In the event of such licence being granted, I agree:

- (1) To observe and be bound by the Australian Rules of Racing (including the Local Rules of Racing imposed by the Principal Racing Authority) together with all applicable Race Club by-laws and Track Regulations and Association Regulations in force from time to time during the currency of such licence.
- (2) To observe and be bound by such directions as may from time to time be made or given by the Committee, Stewards or officials of the Principal Racing Authorities or any Race Club or Association.
- (3) That the Licence may be revoked at any time by the Director of Racing without the giving of any reason in accordance with the Rules.
- (4) That the Principal Racing Authority gives no warranty as to the suitability and/or safety of the premises, track, and training or other facilities owned or occupied by any Race Club, Association or other entity connected with horse racing, and that I must at all times satisfy myself as to the fact that such premises, track, training or other facilities are appropriate, fit for purpose and without obvious defect.
- (5) Not to make any public statement or comment concerning any matter currently the subject of investigation or hearing by or before the Principal Racing Authority, or the Stewards, Committee or Appeals panel or other body authorised by each.
- (6) To attend tracks regularly for the purpose of riding trackwork and to make myself available at all times to ride in trials under the Rules of Racing unless prevented from doing so upon reasonable and proper grounds.
- (7) To provide any sample either prior to or subsequent to riding in any race, trial or trackwork for the purpose of detecting any substance banned under the Rules if directed to do so by the Stewards.
- (8) To (in the case of a female rider) not ride after the first trimester of a pregnancy and to only continue riding during the first trimester subject to fulfilling the conditions and requirements outlined in the Rules.
- (9) That I shall not be exempted from personal liability arising under the Rules for or by any reason whatsoever.
- (10) That I acknowledge and accept my obligation to the owners of any horse, when interviewed by the media, in respect to disclosure of private or confidential information.

Application for Renewal of Jockeys Licence – 2024/2025

- (11) That it is a requirement under the Australian Rules of Racing that, at all times when mounted on a horse, I wear an approved safety vest, a properly affixed and approved skullcap and approved footwear.
- (12) That I am aware the Director only grants licences to Jockeys on the condition that I am not an owner or part owner or any racehorse.
- (13) That I understand that I am not allowed to bet on horse racing or to receive presents in connection with races from persons other than the owners of the horse I ride in such races, and that should it be proved that I have any interest in any racehorse or be engaged in any betting transaction or otherwise to have disregarded this notice, I may be fined, my licence suspended or disqualified.
- (14) That I am required to submit a Betting Information Declaration form as a condition of licence.
- (15) That I am bound by Tasracing's Conditions of Entry (www.tasracingcorporate.com.au/conditions-of-entry) and Track Rules (www.tasracingcorporate.com.au/wp-content/uploads/2012/11/TASRACING-TSD0057-Thoroughbred-Track-Rules.pdf) as set down from time to time by Tasracing at both training and racing venues.
- (16) That should I seek to ride in another State or Territory, this application and all supporting documentation may be forwarded to the relevant Principal Racing Authority as my application to ride in that State or Territory. I understand that the grant of a licence, permit or approval to ride by another Principal Racing Authority is a discretionary decision to be made by that Principal Racing Authority. The interstate Principal Racing Authority is not compelled to grant me a licence and will make a decision as it applies in their State or Territory.

Licensing Review Guidelines

All licensed participants are subject to review, on at least an annual basis. Relevant matters for the Director to consider include:

- (a) If the participant has been found guilty of breaches of the Rules of Racing on multiple occasions;
- (b) If a horse that the participant is responsible for is not presented in a way public confidence can be guaranteed;
- (c) If the participant engages in actions that are detrimental to the image of the industry and public perception;
- (d) If the participant fails to meet a level of activity commensurate with the licence category; or
- (e) If the participant no longer meets the requirements of a "fit" and "proper" person.

The Director of Racing may issue a show cause notice on any participant, who is deemed not to meet the guidelines, as to why they should retain their licence.

The above guidelines refer to all licences, whether they be a new applicant, an upgrade or a renewal.
