RACE 7 – LADBROKE IT PACE– 2090m Mobile

The start of this event was delayed approximately 4 minutes due to a RACKEMUP TIGERPIE requiring its off side front shoe to be replaced.

Stewards questioned drivers Nathan Ford (AHA REACTION NZ) and Ewa Justice (HULI NIEN) along with stable representative Rohan Hillier (HULI NIEN) into the reason why there was a locking of sulky wheels on entering the first turn, before HULI NIEN broke gait and AHA REACTION NZ raced rough. Stewards, after taking evidence from both drivers and acting on their own observations could not place the blame for this incident on any one driver or horse, as both drivers had contested the one-out position which brought them together, initially caused the locking of sulky wheels, and as such took no action other than to note the circumstances. Stewards in assessing the incident noted HULI NIEN, which had drawn the inside of the second row, was racing ungenerously from the start as driver Justice restrained the gelding to move away from the inside line, in an attempt to be positioned in the one-out line. Meanwhile, driver Ford, who had begun from barrier 3 on the front row, began well and was in the process of moving AHA REACTION NZ down the track, also in an attempt to secure the one-out line. These simultaneous movements brought the sulkies together resulting in the locking of wheels, Stewards further noted, when the drivers attempted to disengage the wheels, HULI NIEN became unbalance, resulting in its hind leg striking the sulky of AHA REACTION NZ, with the result of HULI NIEN breaking gait and AHA REACTION NZ to racing rough.

SUNNY SANZ inconvenienced when HULI NIEN and AHA REACTION NZ locked wheels.

CULLENBURN NZ inconvenienced when HULI NIEN and AHA REACTION NZ locked wheels.

Trainer Troy Hillier (HULI NIEN and HICKSTEAD NZ) was reprimanded under AHRR 238 for failing to comply with a requirement under Harness Racing Policy 36, in that a trainer with two or more runners in a race must notify Stewards of the intended tactics of each runner no later than 60 minutes prior to the race.
