A warning will be placed on the gelding’s racing manners and will be monitored by Stewards.

The announcement of all clear was delayed when the stewards wished to view the finish of the event to see if UNOBETTER, who was placed 3rd by the judge, gained an advantage

when broke gait and galloped just prior to the finish line. After viewing the official patrol films and taking the margin of half head into consideration, Stewards were satisfied that the driver Dylan Ford restrained the gelding at this point and still had the momentum going forward to finish in third place. Stewards were satisfied with the judge's placings and all clear was given.

MOVESLIKEALADY - Severely checked approaching the first turn and locked wheels with another runner and was retired from the event.

Stewards questioned drivers Rohan Hillier (MOVESLIKEALADY), Kayleb Williams (MEMPHIS) and Mitch Ford (SCRUB BASHER) into the reason why MOVESLIKEALADY broke and locked wheels with MEMPHIS approaching the first turn, resulting in both horses being retired from the event. After taking evidence from all drivers, viewing the official patrol films and acting on their own observations, Stewards charged driver Mitch Ford with causing interference under the provisions of AHRR163(1)(a)(iii), alleging that he shifted inwards making the first turn to gain a position closer to the pegs and caused interference to MOVESLIKALADY (Rohan Hillier), resulting in that filly breaking gait and locking wheels with MEMPHIS (Kayleb Williams). Mitch Ford plead guilty to the charge. The licence of Mitch Ford to drive in races was suspended for a period of 3 race meetings. CAMELOT JEDIMASTER (Kayleb Williams) who was racing inside DE GOEY moved out marginally at this stage and may have contributed to this incident. Driver Rohan Hillier believed that although placed in restricted room, DE GOEY should not have broken gait and there was no contact to the gelding.
